**Churches notified of  
filing deadline related to  
Boy Scouts bankruptcy**

Ongoing bankruptcy proceedings relating to the Boy Scouts of America (BSA) may have an impact on congregations which have had connections to the BSA. The bankruptcy results from the numerous claims of sexual abuse against the BSA. Should claims be brought at some future time against congregations which had some connection to the BSA, the defenses and insurance coverage for such claims may be foreclosed unless congregations file the necessary notice in the bankruptcy proceeding by Nov. 16.

Each congregation is asked to undertake an urgent effort to determine what relationship, if any, it has had with the BSA. At present, there are not any known claims against the BSA which relate to congregations of this diocese. Nevertheless, it is strongly recommended that every congregation which has had a relationship with the BSA file the notice.

*Continued from page 1*

Any congregation which has or has had any relationship with the BSA should report that relationship to Canon to the Ordinary Bill Parnell ([bparnell@diomass.org](mailto:bparnell@diomass.org)) as soon as possible but **not later than Thursday, Nov. 12** so that assistance can be provided with filing the necessary notice.

The data collected will be used to help assess the needs incurred by congregations because of the pandemic. Find the Pandemic Financial Impact Report form [here](#).

In addition to monthly online meetings in small groups, participants will engage with spiritual reading, videos and articles on discernment, spiritual practices and the ministry of the baptized. Cost is \$200; financial assistance is available upon request.

An **online informational meeting** for those who would like to learn more takes place on *Wednesday, Nov. 18, 7-8 p.m.*

**GRANTS & LOANS:**

- Episcopal institutions can apply for the **next round of the Episcopal Evangelism Grants Program**, designed to fund local and regional evangelism efforts. The application deadline is *Nov. 15*. The new grant cycle will focus on projects that explore new methods of evangelism during the COVID-19 pandemic.

The grant program, which began in 2017 as a result of the 2015 General Convention's increased investment in evangelism, awards up to \$2,000 for an individual congregation and up to \$8,000 for multichurch, diocesan and regional collaborations. The grant application, criteria and additional information are available [here](#).

- **“Wicked Good Idea” Microgrants** continue to be available as an invitation to congregations, networks and organizations in the diocese to try something new in their ministry context in support of the diocesan [mission strategy](#). The grants are a way to put some seed-money support behind ideas for how to do the work of Christ in new and creative ways. While ideas of church have shifted somewhat in the current time, mission work continues, and this grant initiative, new this year, encourages everyone to think creatively about how to do that.

A total of \$20,000 is available for grants in 2020. Applications are received on a rolling basis for individual grants of \$500 to \$2,000. Find more information and the online application [here](#). Questions may be directed to the Mission Strategy Committee at [missionstrategy@diomass.org](mailto:missionstrategy@diomass.org).
